

**Many Hands Make Light Work**

# Prayer and Praise

*The one thing everyone can do is pray. Please remember us using the requests below as you partner with this ministry in prayer.*

- *PRAISE for the many volunteers stepping in at the MRC*
- *PRAISE that God provides for the needs of the center*
- *PRAISE the Lock-In went well and God worked in the lives of the teens*
  
- *Pray for our upcoming MRC Volunteer Appreciation Breakfast*
- *Pray that the billboard being displayed in September reaches many*
- *Pray that God continually provides for the needs of the MRC*

The Maternity Resource Center has seen some changes in the past few months. While the Douglas Family had to step down, people from left and right have been stepping up to help fill the Center's needs. From organizing clothing, hanging items, packaging diapers and wipes, cleaning and vacuuming, to even washing clothes people have been willing to serve.

The Maternity Resource Center takes a lot of work to function and the people of God have been willing to do the work to keep it functioning. Baptist for Life of Central Ohio truly appreciates ALL the volunteers who serve the clients, who organize the center and who help anywhere they are needed. We also truly appreciate those who donate monetarily and items to fill the needs of the MRC as well. God is good and continues to provide even when it's not always clear.

Some of the work that has been done is pictured. We always welcome more volunteers. If interested or if you know someone who is, please contact us.

## BILLBOARD IS IN!

God has so wonderfully blessed in these past few months in providing for pro-life billboards. Since a few years ago when we first added the billboard ministry to the other pro-life ministries of Baptist for Life of Central, Ohio, this is the first time that enough funds have been donated by June to COMPLETELY pay for our minimum goal of two billboards per year.

The first of the two billboards was on display from July 6<sup>th</sup> till at least August 2<sup>nd</sup> on the southeast corner of King and Kenney, facing north, near Ohio State University. The second will be on display from September 7<sup>th</sup> till at least October 4<sup>th</sup> in Worthington, on the northwest corner of West Dublin-Granville Road, facing east. Both will have the same design, as pictured on the right.

We trust that the Lord is using the messages of these billboards to make a difference in exalting HIS righteousness and glory. We truly thank those whose choose to give and be a part of this ministry. Our prayer as an organization is that we can have enough funds to do a third billboard in 2015.

The Teen Lock-In was held at Fellowship Baptist Church on Friday May, 8<sup>th</sup>. Tara Winter, from Cedarville University spoke to the teens about purity. Purity is an important topic not only for today's generation, but for all generations.

It is something that not only affects the heart, but the mind as well. Impurity can attack our hearts and our minds. It is much more than not having sex or dressing modestly. God expects us to live pure in ALL areas of our life. Tara, using the words of God, encouraged the teens to be pure physically, mentally, emotionally, and spiritually as well. Like preparing to run a race, we need to prepare each day to live pure.

At the end of the rally, Tara had a question and answer session with the teens. The teens were able to ask any question they wanted to dig deeper into the topic of purity. They had very insightful and good questions and Tara used wisdom in answering them. Even when they tried to "stump" her, she had excellent answers. She even had teens asking her questions one-on-one when the rally ended. God really used Tara's time at the Lock-In as profitable.

At the end of the Lock-In the teens headed to Skate Zone71 again this year where they played Laser tag, arcade games, and skated the night away. They ate pizza and snacks to round out a wonderful evening.
